GCE for life!
**Jessie Elizabeth**- We've been through SO much & we have so many memories--the four of us always causing some kind of trouble! So much has changed since we were little kids. Now we know that there are more important things than Barbie dolls & "the paths" at Meme + Papa's house! Although we were once so oblivious to our faults, life has taught us so much, we have taught each other so much. We're not just cousins, we're best friends. The four of us will always know what TRUE family is. You are a beautiful person inside & out and we know you have a bright future ahead of you. You have always been a "leader" for us—always there in good times and in bad times. As this chapter in your life comes to a close, always know that we will be there for you, as you have ALWAYS been there for us. Congratulations on graduating and good luck Jess!
Love always,
Becky, Millie, & Sammie Jo

*How can you share love that's so deep in your heart,*
*A gift we've been blessed with and have treasured right from the start.*
*I never believed you would grow up so fast.*
*You're a lovely young lady and your childhood is past.*
*As you've gone through each chapter each milestone, each year,*
*You've grown confident, caring, responsible, and sincere.*
*And now it's time, Amanda, to spread your wings and fly.*
*Things won't always be easy but continue to try.*
*You have a strong will and you don't like defeat,*
*And when things don't work out, you still land on your feet!*
*So wherever life leads you, remember the rules,*

*You'll remember when home football games were a thrill.*
*The proms, and the dances, your own parking space,*
*The way it feels to place first in a race!*
*The teachers and mentors you grew to admire,*

Go confidently into the direction of your dreams – live the life you have imagined

TO JENNA,

If there were ever a time to dare,
To make a difference
To embark on something worth doing
It is now.
Not for any grand cause, necessarily –
But for something that tugs at your heart
Something that is worth your aspiration
Something that is your dream.
You owe it to yourself
To make your days count.
Have fun. Dig deep. Stretch.

Life is a journey made up of many roads and paths taken. You have had many changes in your life that you approached as a second chance do to your perseverance and confidence in yourself. You have now reached an end only to once again find a new start. Do not follow where the path may lead but go instead where there is no path and leave a trail. Believe in your own power, trust in your own potential, know your own innate goodness, always keep an open heart and happiness and success will continue to be yours. We are so very proud of you and wish you much love luck and success in your future endeavors.

Dear Jana and Dustin
Mere words could not ever express
the love and utmost joy,
We felt the day when you were born
our baby girl and boy!

And though you share the same birthday
we've watched how you have grown,
Into separate individuals
with ideas all your own.

And many years have passed, I known
since "Daddy" went away.
But keep him in your minds and hearts
his light will always stay.

You are a part of both of us
a blessing from above,
We are so very proud of you
our lives were filled with love!

We could not have asked for better children.
we love you so much!

From day one there was something about you. You had this way of causing trouble and,with a flash of a smile, getting away with it. (I know because you taught your brother too. This is a part of growing up. I've watched you grow into this beautiful young woman. You are so wonderful and precious. You fill our lives with nothing but love and laughter. You have never failed to put a smile on our faces and we love you for it. It's time for that next step, Oliwciu. Good Luck!

Courtney & Emily ~

Where did our little girls go? They grew up to be strong, self-confident, loving, caring and mature young ladies.

It's been such a joy watching your friendship grow & strengthen along with your faith. This past summer's Compass adventure was just another example of your willingness to put aside your comfort level and allow yourselves to be "stretched" spiritually. If you could get through Compass, you'll be able to overcome any of life's challenges.

Your commitment and dedication to the Lord's work is such a blessing not only to us but to the many people you will encounter in your lifetime. Continue to keep God as your focus and guide as you enter this next stage of your lives.

We are so very proud of you both. You are two very special young women.

Love ~ your families

"Friends are friends forever, when the Lord's the Lord of them."

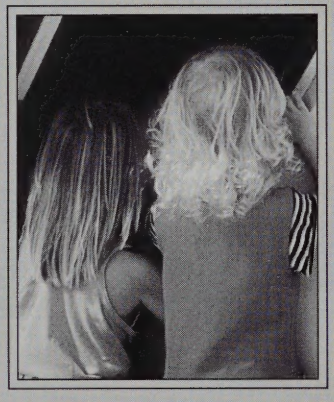
Dear Sarah,

You are a precious gift from God, loved and cherished from the first day we brought you home. We've watched you grow up into a special young woman who truly has a heart for God. Your talents are many and your potential is great. You've blessed the lives of all who know you.

The first years of high school were a challenge but we were pleased to see how you matured, made a difference, and let your "light shine brightly" in all circumstances. As you graduate, we look forward with excitement to see God's plan unfold in the next chapter of your life. Always remember to:

"Trust in the Lord with all your heart,
and lean not on your own understanding;
In all your ways acknowledge Him,
and He shall direct your paths." Proverbs 3:5-6

With all our love and prayers,
Dad, Mom, and Eric



Tara,

. Spirited
. Determined
. Hopefull
. Inquisitive

Don't ever change who you are! The future is here.

Love,
Dad, Mom, Paul
& Brooke
Kopper ~ Abby ~ Sandy, too!

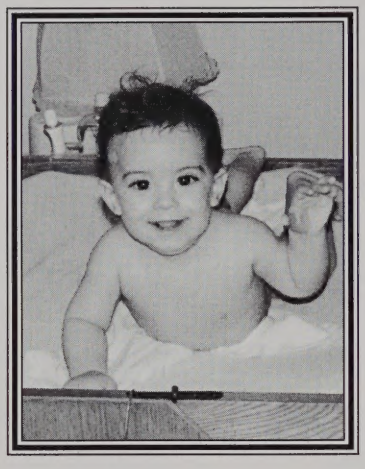
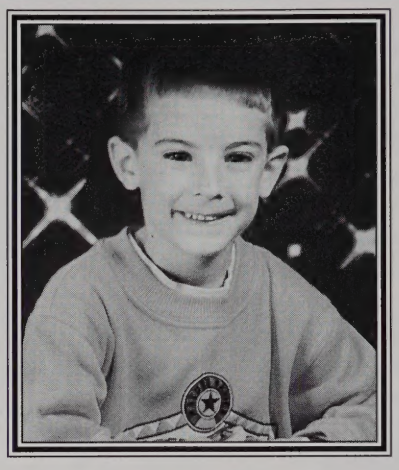
Many people cannot talk to their children.
They can't wait for them to leave home.
I'm so grateful for the closeness we share and
any time we spend together.
Not only are you my daughter you are also my friend.
Thank you for letting me tag along, sharing your life
and giving me the most treasured memories of you.
I feel privileged to be your mother.

As we watch you set out on your own to learn
all that you can from books and from life
we stand proudly behind you wherever you go.
Never lose sight of your dreams!
WE LOVE YOU!
Mumma, Father, Mikey & John





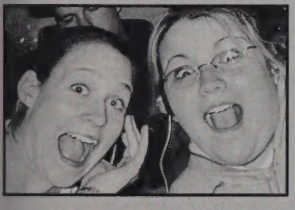
*Zachary*

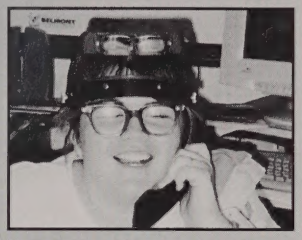
*It has been wonderful watching you grow through the years from a little boy and a big brother into a remarkable young man*

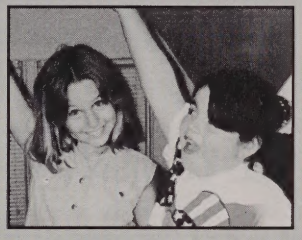
*We are very proud of who you are and where you are going.*

*We wish you nothing but haooiness and success in the future. May all your dreams come true.*

*Love,*
*Mom Dad, & Stefani*







Lindz & Meg,
First came Lindsay on April the third,
Meg three months later the size of a bird.
They crawled through their first year together as one,
from toddlers to grade school they shared lots of fun.
Every year they would do a trip with moms to the Yorks,
we see them with lobster hats looking like dorks.
Vacation and camping quite often in Maine,
if you didn't know better , you'd think them insane.
We've watched them grow older all dressed in their gowns,
but we see them most often acting like clowns.
One thing is for certain , neither one is too shy,
just look at these pictures if you are wondering why.
They may not always act it, but they're prettysmart too,
they'll be great after high school in whatever they do.
They're funny and witty and ever so loud,
we love them so much and are ever so proud.
Congratulations
with love from
Both of your families
